

Apostles Build Update  
Wednesday, July 12, 2017

The Apostles Build project continues to progress. The professional framing crew finished building the roof on Tuesday July 11<sup>th</sup>. Jose Hernandez from our Parish, volunteered his team to install the roof on Wednesday July 12<sup>th</sup>.

Below are a couple pictures of Jose's team and the finished product.

Thanks to Jose and his team for volunteering their talent and time to this project.

We will keep everybody informed of future volunteer opportunities as the Apostle's Build continues.
