PRAYER of the FAITHFUL

(Print separately)

For all communities of believer,  
for all who believe in the one God;  
    may we find a way to work together  
    for the peace that only God can give.  
We pray to the Lord...

For military chaplains and for all who minister to those who serve,  
especially those connected to Fort Campbell;  
    May they be blessed  
    with God's consoling presence  
    as they persevere in their service.  
We pray to the Lord...

For legislators and civilian and military leaders  
and all who make tough decisions that affect other people;  
    May they have the wisdom  
    to see the world as God sees it  
    and work for justice always  
    and charity when called for.  
We pray to the Lord...

For those who serve in the armed forces this day  
and for civilians everywhere who are in unsafe places;  
    May they be guided well, kept in safety,  
    and consoled in the abiding presence of God;  
We pray to the Lord...

For our comrades who have died in service...      *(pause)*  
For anyone the people in this room have killed...      *(pause)*  
For all veterans who have died...      *(pause)*  
    May they see God face to face  
    and pray for us;  
We pray to the Lord.

For all who still suffer from the loss of loved ones;  
    May their grief give honor  
    to the love that never dies;  
We pray to the Lord.

For all veterans who still suffer from the wounds of war  
and all who still suffer from the effects of war,  
especially anyone in this room;  
    May they be healed in the presence of Christ  
    and the embrace of community;  
We pray to the Lord.

And for the prayers in the silence of our hearts...;  
We pray to the Lord.
